New **STYLES** to bring your home to **LIGHT**

We are excited to share the new 2023 interior lighting designs from Acclaim Lighting — created not only to bring light to your spaces, but also to allow your home and your style to shine.

Turn the page, open the door, and get a glimpse of our luminous new offerings. Each fixture and every collection has been conceived at the forward edge of the latest trends, created in a variety of styles and finishes, and engineered to meet our trademark standards of quality and value. From pendants and island lights to a wider-than-ever selection of bath products, these new designs expand our interior lighting line and our appeal. Visit [acclaim-lighting.com](https://www.acclaim-lighting.com) to view our complete selection and to see how Acclaim Lighting can make your home shine.

Dare to be DIFFERENT

A. COYLE IN20040WH White
B. CORMAC IN10016WG Washed Gold

Welcome to our lighting reboot. These modern fixtures are sleek and unique. They're perfect to use in a foyer, hallway or as a grouping over an island — the possibilities are endless.

The POWER of PENDANTS

A. SHELBY IN20000ORB Oil-Rubbed Bronze and Antique Brass

B. CABOT IN10005ORB Oil-Rubbed Bronze

Lovely alone; stunning when used as a grouping, our pendant lights have the power to transform any space. We know you'll love our latest pendant additions to a lineup that has already shown how design and technology, method and mood, design and function can hang together beautifully. Acclaim lets you coordinate pendants with other fixtures, in collections that include elements for every room.
